INCORPORATING SAYIT TRAVEL

Change the world

Your planet is incredible. When you travel with G Adventures, you don't just connect with its fascinating places and amazing people. You become part of a global community of curious travellers dedicated to social and economic change.

Simply by having the time of your *life*

Make your world better simply by getting out there and enjoying it. Choose G Adventures and more of your travel dollars stay where you spend them, allowing the communities you visit to grow and the people you meet to live healthier, happier lives.

Welcome to a World of Good

We've always believed in the power of travel to change the world. We've always known that thinking locally when you travel has a profound ripple effect. We're all connected. And through that connection, we can make a World of Good.

50 in 5

**A bold plan to make
the world a little more
perfect by 2020**

G Adventures is committed to ensuring the communities our travellers visit get something back in return. Since 1990, we've integrated over 35 self-sustaining initiatives into over 175 of our itineraries. These projects address local challenges, to benefit indigenous people, empower marginalized women, and grant disadvantaged youth access to education, employment, and brighter futures.

We're dedicated to raising \$5 million to establish 50 new G Adventures for Good projects by 2020. By growing our global project total to 75, we'll connect over 90% of our travellers to these important initiatives. But we can't do it without you.

Please visit gadventures.com/50-in-5 and donate today.

Thank you to our supporters

Deloitte.

All proceeds go to the Planeterra Foundation, G Adventures' non-profit organization that works with local communities to build and manage G Adventures for Good projects around the world.

Everywhere is local

Everywhere we go, from the biggest cities to the tiniest villages, we opt for local businesses and services whenever we can. In 2016, we became the first travel company to conduct a supply chain assessment based on our core values – the G Local Survey – to study the real-world impact of our travellers on the communities we visit. The numbers speak for themselves.

112,000

Number of people employed globally by G Adventures' contracted service providers.

FRESH

9/10 of our suppliers purchase more than half of their supplies from local producers, markets, and farms.

GLOBAL

Nearly 100 of our on-tour experiences in over 40 countries include visits to indigenous communities.

SUSTAINABILITY

97% of our on-tour suppliers employ sustainability practices in their operations.

LOCAL

91% of our on-tour hotels, restaurants, and tour providers are owned by legal residents.

FAMILIES

On average, 3 dependants are supported by each employee of our service providers.

ECONOMIC STIMULUS

Value of economic stimulus for every dollar you spend on souvenirs or handicrafts.

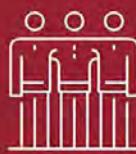

SUPPORT

50% of suppliers worldwide contribute to non-profit organizations or local groups.

FOOD

65% of included meals are based on local food and traditional cuisine.

LOCAL STAFF

83% of supplier management staff are local.

All figures derived from G Adventures' global survey of suppliers conducted as part of G Local, a sustainability framework developed in partnership with Sustainable Travel International (STI) and the Planeterra Foundation to evaluate localized impacts and guide G Adventures' decisions about its suppliers.

One of my favourite things about G Adventures,

and trust me, it's a long list, is how readily and eagerly we adapt to change. We were founded on the idea of changing travel, and for the past 25-plus years, we've never stopped changing. In that time, we've pioneered a new approach to travel, shook up the industry by being the first to offer 100% Guaranteed Departures, dreamed up unconventional new tours, forged dozens of partnerships, and even founded our own non-profit organization, the Planeterra Foundation.

On paper, that looks like a lot. But there's so much more to do. And we can't do it alone.

It takes a network of values-based, purpose-driven people to change the world. This year, we've established G Local, a new way to measure the localized impact your tour has on your destination. Every choice our suppliers and we make has an effect. For the first time anywhere, G Local will tell us how far those effects reach and how we can improve them.

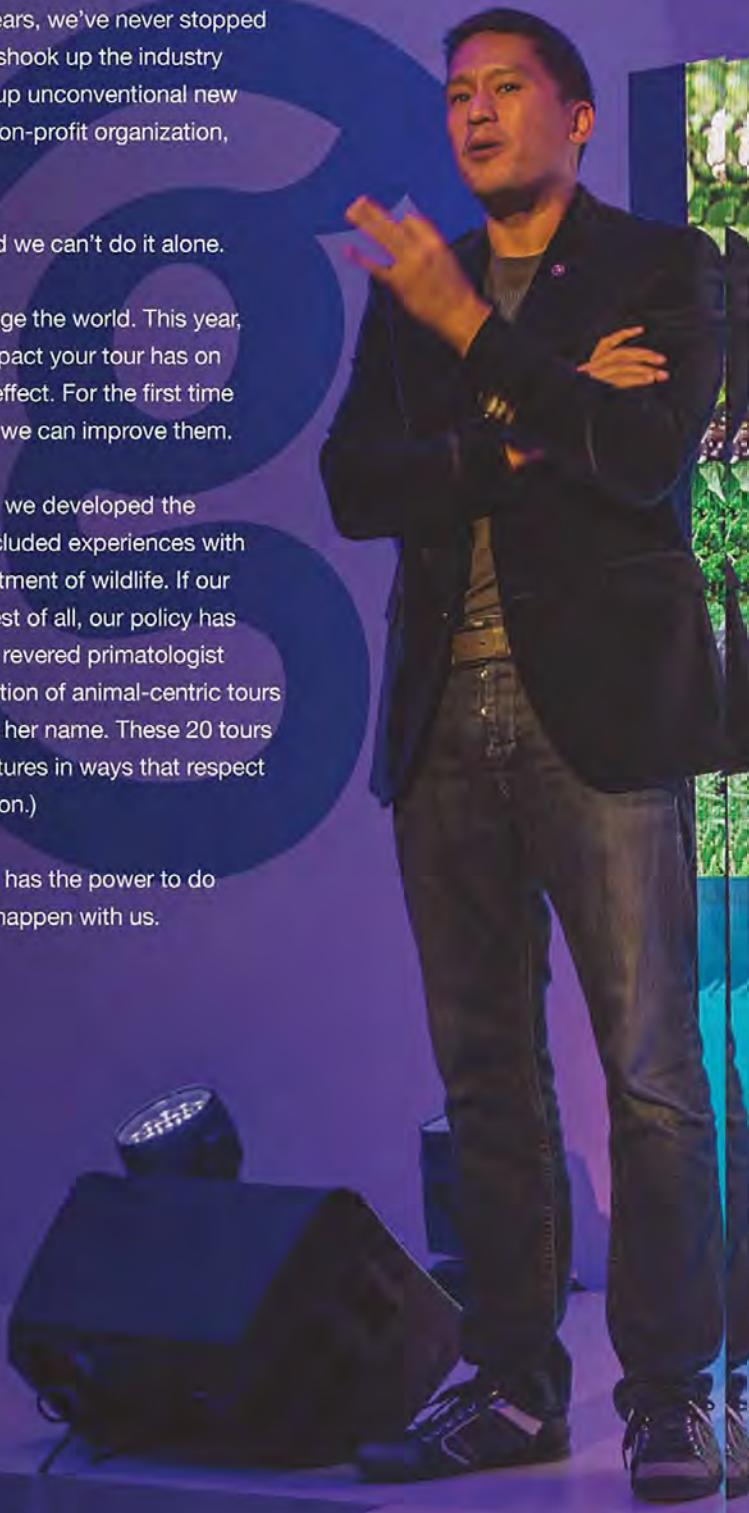

No company succeeds if it refuses to improve. A few years back, we developed the G Adventures Animal Welfare Policy. We audited every tour that included experiences with animals and worked with our partners to promote the humane treatment of wildlife. If our partners put animals at risk, they cease to become partners. Coolest of all, our policy has won the enthusiastic endorsement of one of my childhood heroes, revered primatologist Dr Jane Goodall. In her honour, we've put together a special collection of animal-centric tours that reflect Jane's mission as well as that of the institute that bears her name. These 20 tours bring you into close contact with the world's most fascinating creatures in ways that respect their freedom. (See insert for more about the Jane Goodall Collection.)

Change is good, and it's best when it's for the right reasons. Travel has the power to do great things, but it doesn't happen without you. This year, make it happen with us.

Peace,

Bruce Poon Tip
Founder and Captain

THE G DIFFERENCE

CHANGING THE TRAVEL BUSINESS, ONE GREAT IDEA AT A TIME

As small-group adventure travel pioneers, we've always done things a little bit differently. To us, there's no such thing as "outside-the-box" thinking because we don't believe in boxes. Check out a few of the ways *la différence* is vive'd daily around here.

100% GUARANTEED DEPARTURES

The security that comes from knowing your tour is locked in is an amazing feeling. So go ahead and feel it! Every G Adventures departure is guaranteed to run, meaning once you've booked and paid, you're going. Your tour won't be cancelled by us for any reason (beyond harsh weather or safety issues).

LIFETIME DEPOSITS™

Our Lifetime Deposit policy protects you from unexpected events that may cause you (for any reason) to cancel or delay your tour. Whether you opt to use it again for the same tour, transfer it to another one, or just hold onto it for now, we've got you covered. You can even pass it on to a friend.

24/7 SERVICE

When your business covers the whole world like ours does, you have to be available and accountable all the time. If you've got a question about a tour – even if it's the one you're currently on – we're here to help. Always. We never sleep. NEVER.

NO SINGLE SUPPLEMENTS

We treat solo travellers to the same benefits as the rest of the group, which is why we don't charge single supplements. We'll partner you up with a same-sex roommate (or several for multi-share accommodations) to ensure you pay the same as everyone else.

CHOICE

Not to toot our own horn or anything, but we offer the widest variety of destinations, departure dates, Travel Styles and Service Levels in the business. No matter where, when, how, or why you want to travel, we've got the tour of a lifetime for you. (Toot.)

VALUE

What you saw and did should be the most memorable part of your tour, not the price you paid for it. We offer unforgettable travel experiences at the most competitive prices you'll find anywhere. How? By following an approach to travel that keeps operating costs low and savings high.

SATISFACTION

We're pretty proud of our customer satisfaction record. A whopping 99% of our travellers report satisfaction with the service we offered them on their tour. How do we do that? By listening to them. It's just one of the many ways we lead with service.

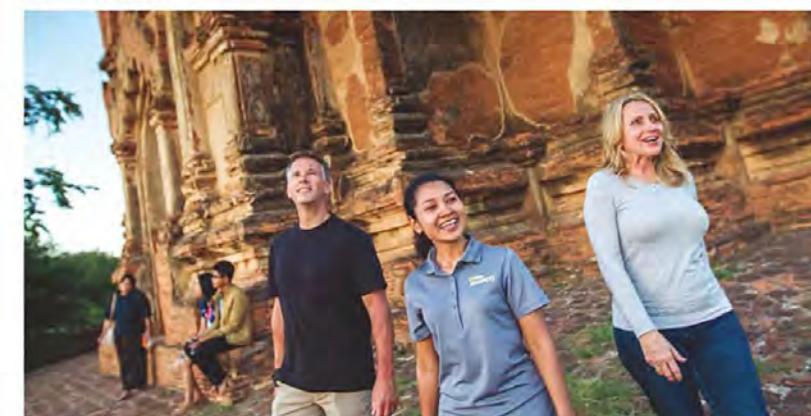

GLOBAL NETWORK

There's a great big world out there, and with almost two dozen sales and operations offices worldwide, you're never far from one. With a fleet of exclusive boats, lodges, and vehicles at our disposal, we can deliver an experience that's consistently G Adventures-y from start to finish.

PRIVATE GROUPS

Group tours are a great way to meet people, but sometimes you just want to keep the experience between family and friends. Take any existing G Adventures departure and block it off for your group's private use. Ask our private groups team for more information.

ONE CEO IN HIS OWN WORDS

Every one of our adventures comes with its own Chief Experience Officer (CEO), exceptional individuals whose primary purpose is to make your trip as extraordinary as possible. Be it insider access to a normally restricted place, advice about where in the city to explore, or simply a unique take on the culture you're discovering, CEOs are so much more than guides; they're quite literally world-changers.

DANIEL B.
CENTRAL AMERICA

"This whole experience changes our travellers and I get to see it. Watching them see an animal they'd always hoped to, or challenge themselves to take on an adventure they'd never imagined they could do – even have a sudden insight about an aspect of their daily life at home. We assist our travelers in making the most out of the trip through the daily, little things."

"I love my job because when I'm walking through a tropical cloud forest or ancient ruins, I can call it my office. I get to meet people from all over the world and share with them great moments that will become cherished memories. I love the chance to illustrate the partnership between G Adventures and National Geographic."

HIKING THE INCA TRAIL

A TRIUMPH FOR THE BODY AND SOUL

Follow the footpaths of the Inca to the roof of the Andes, passing ancient ruins and breathing in the mountain air. Memorable moments are plentiful on the four-day trek, but none can compare to when you walk through the Sun Gate and catch your first glimpse of Machu Picchu. It's not just an accomplishment; it's a transformative moment.

WHAT MAKES US DIFFERENT

Trekking the Inca Trail is a once-in-a-lifetime experience, so we approach each of our departures with that perspective in mind. Here's how:

• GLOBAL LEADERS

We are the single largest tour operator on the Inca Trail, helping well over 10,000 travellers hike it every year. We've been bringing travellers here for over 15 years.

• EMBEDDED EXPERTS

Tours are led by skilled staff recruited from local communities and employed directly by us. Every trip is managed and equipped from our dedicated operations base in Cusco.

• QUALITY OF EXPERIENCE

On-trip meals are prepared from fresh, locally sourced ingredients, and our high-quality tents and camping gear are set up and maintained by our support staff.

• LOCAL COMMITMENT

All our guides, porters, support staff, and cooks work under the region's best employment conditions and are fairly compensated for their efforts.

• WE'RE IN IT TOGETHER

Our groups are afforded plenty of time to bond before and after the trek. Each itinerary is planned to give you the best possible experience.

• EXCLUSIVE DEPARTURES

Other companies pool different travellers together to maximize profits, but our departures are exclusive; everyone in your group will be one of our travellers.

Q&A: THE INCA TRAIL AND THE PERMIT PROCESS

WHY IS THE INCA TRAIL SO POPULAR?

The Inca Trail is popular because it's the ideal adventure for those who want to combine some incredible cultural highlights with the challenge of one of the world's best-known hikes. Since its rediscovery over a century ago by Hiram Bingham, much has been done to excavate and study the site. The stretch referred to as the Inca Trail today is, in fact, merely the final, dramatic stretch of the old road to Machu Picchu. This part of the trail is a challenging four-day trek from the floor of the Sacred Valley, across and over high mountain passes and through cloud forest, testing the limits of mind, body, and spirit. While it's physically demanding, the hike of 40km (25 mi) remains within reach of most reasonably fit travellers. Some parts are steep – especially the three high passes. But the end, appropriately nicknamed the "Sun Gate" and blessed with an awe-inspiring view of Machu Picchu, proves the climb is worth it.

CAN INDIVIDUALS OBTAIN THEIR OWN PERMITS?

Only tour operators can acquire permits. Operators are subject to thorough annual inspections by the government agencies that oversee the Inca Trail.

WHY DO I NEED A PERMIT?

Before permits were introduced, there were no regulations; trekkers often camped wherever they pleased, used the ruins as latrines, and generally made a mess of the place. In 2002, regulations were introduced to protect the site and surrounding ecosystem. They restrict the number of annual visitors and prevent undocumented trekkers from hiking the trail.

HOW ARE PERMITS SECURED?

As the world's largest Inca Trail operator, we have an established set of protocols to secure your permit. With years of experience, our Cusco-based team is on hand to book and collect your permit in person.

Lifetime Deposits have no expiry and may be applied towards payment of a deposit on any other Tour offered by the Tour Operator. The Lifetime Deposit is transferable and may be transferred to you by another individual of your choosing by providing notice to the Tour Operator in writing.
