Robert Trent Jones Golf Trail

Play Golf from one end of Sweet Home Alabama to another...

You may not think golf when you think Alabama, but the state's Robert Trent Jones Golf Trail features ten different courses, making 100 miles of great golf and excellent hotels. Travelers from all over the globe now have the RTJ golf destination on their wish to do list.

All the courses are in or near Alabama's largest metropolitan areas offering 18 to 54 holes of golf, 468 holes altogether. You can tee off in the hazy Appalachian foothills of its northernmost reaches, play through the enchanting cypress-rich swamps of the south and wind up on the beach by the crystalline coast of the Gulf of Mexico. The trail ends at the elegant Grand Hotel Marriott in Point Clear, where you can relax with seaside R&R. The courses have easy highway access and most are no more than two and a half hours drive apart.

One of the most unique aspects of the Trail are the tee locations. The tee markers on the Trail are pegged to ability level, not age or gender. The courses were designed to measure as short as 4,700 yards and as long as about 8,200 yards from the tournament tees, with as many as 12 tee boxes in-between.

When not golfing you can experience Alabama's culture and history – civil rights and civil war locations; US space and rocket centre; Elvis's birth place; Muscle Shores for music and of course Sweet Home Alabama cooking.

We can quote you for groups or individual itineraries including full packages for:

EAT

Indulge your appetite in Massachusetts. Start with a selection of the freshest seafood from the Atlantic, such as lobster, clams or clam chowder. Dip your fork in a plate of true Italian cuisine in Boston's North End, try something new in Chinatown. Discover artisan breads and succulent fresh food on the stands of a farmer's market. Keep some room for dessert because Boston is known for its Boston Cream Pie and Massachusetts is proud of its homemade ice cream.

EXPLORE

What can you do in Massachusetts? The list is endless: A tour by an amphibious vehicle (Duck Tour) or on a swan boat. Understand the history of the beginning of the United States by following the Freedom Trail, or discover the life of the first settlers, the pilgrims. Marvel at the magnificence of the beaches, the breath-taking mountains and world-renowned exhibitions. Take your loved ones for the trip of a lifetime. Whether you are looking to immerse yourself in culture, be at one with nature, or just relax with your family, there are an infinite number of things to do and see in Massachusetts.

HISTORY

For almost 400 years, Massachusetts has been and still is at the forefront of America's history. From the Freedom Trail, the Boston Tea Party and the Salem Witch Trials, to name but a few, all can be discovered in Massachusetts.

BOSTON

Find what you'll love in Boston. Perhaps Boston can be best described as a welcome contradiction: Hip alongside historic. Skyscrapers surround parks. Gourmet meets pizza. Just as the city pays homage to every period of America's timeline, it also serves as all things to all people. The unofficial capital of New England, Boston is a collection of neighbourhoods.

CAPE COD

Curving out into the Atlantic Ocean, this 65-mile-long peninsula has more than 100 beaches, including the Cape Cod National Seashore. But "the cape" as everyone calls it has so much more. Each of the villages has its own distinct character, antiques shops, craft galleries and romantic B&Bs in fine old houses built by sea captains. Order seafood in a waterside restaurant, play golf, cycle in the sunshine, get out on the water. Or, just take it easy.

MARTHA'S VINEYARD & NANTUCKET

Massachusetts boasts two of the world's best-known island holiday destinations. Both islands are known for their B&Bs, breath-taking views, and small island charm.

THE BERKSHIRES

The Berkshires is a rural region in the mountains of western Massachusetts dotted with picturesque villages and towns. A popular holiday destination, it's known for its outdoor activities, fall foliage-viewing, farm-to-table food scene and thriving arts institutions. Renowned annual festivals include the Boston Symphony Orchestra's residency at Lenox's Tanglewood Music Centre, Jacob's Pillow dance festival in Becket and the Williamstown Theatre Festival.

SHOPPING

In Massachusetts, shopping is great value, as well as fun. Massachusetts is tax free on most clothes or on items less than \$175! Whether you like to window shop or have a list, want designer names or hand-made crafts, all are on hand.

“WHAT WE THINK”

Why not consider upgrading from Economy to Premium Economy or Business Class, even in one direction perhaps to celebrate a special occasion?

“I recently flew to Chicago in Economy Class and home from Los Angeles in Business Class. It was good value! It gave us something to look forward to at the end of the trip and was an unforgettable experience.” Moire.
