The Dining Experience

Dining with Ambassador is always tailored to you, but exceptional service, authentic flavours and cherry-on-top surroundings are guaranteed each and every meal. So, whether it's a full English for breakfast, a sunny al fresco lunch, or a six-course gala dinner, your dining wish is our desire!

One of life's simplest pleasures is coming together over great food, which, of course, gets better when you're breathing in the sea breeze in between bites. We've carefully crafted menus to blend traditional plates with locally inspired cuisine, letting our dish choices be shaped by the itineraries themselves - giving you a taste of the finer things in life.

We've got venues for every mood, from the elegant Buckingham restaurant dining room offering sophisticated options catered to all, to Borough Market where flavours from around the world come together, allowing you to craft your own unique dining experience. Why not expand your taste buds at one of our speciality restaurants? We have Saffron, offering exceptional Indian fusion cuisine, and premium grills upon both Ambience (Sea & Grass) and Ambition (Olympic Taverna).

Breakfast and lunch are generally served on an open seating basis, giving you and your appetite plenty of choice. With dinner, we operate two sittings, which can be requested when booking your cruise. If you have any dietary requirements, we can easily accommodate - just let us know in advance.

Entertainment & Enrichment Programme

Introducing Ambassador's Entertainment and Enrichment Programme: a host of opportunities to learn, laugh, listen, and surprise yourself as we sail alongside the world's most inspiring sights. From calligraphy to cocktail making to salsa classes, there really is something for everybody!

Beyond those special moments to learn something new or show off a favourite pastime, we have a sensational tiered theatre that will whisk you away to lands near and far as you sit back and relax for an afternoon or evening of world-class storytelling at The Palladium.

Waiting in the wings are our onboard entertainment team, Ambassador Theatre Company. They have crafted an itinerary of performances hand-picked for our guests that feel as beautiful and diverse as the destinations you will visit in between shows. Here's a selection of what they have in store:

Dance Dance Dance

Choreographed by none other than Strictly's Anton Du Beke. Join the celebration as we take you on a world tour of the best of dance throughout the decades with guest virtual appearances from the star himself.

Enchanted Garden

A fantasy, dream-like musical experience set in a romantic gothic garden on a sweet midsummer night, complete with grand stone arches and sunken turrets. The theme of the show is love lost and love found, with a soundtrack that is a crossover of classical, musical theatre and pop, with bespoke musical arrangements and vocal harmonies.

As well as the razzle and dazzle of the West End, Ambassador also brings you the drama, comedy, and suspense from the theatre. Theatre@sea is a unique and exclusive product to Ambassador, featuring a range of professionally written plays set to add a distinctive dimension to daytime and evening entertainment programmes. For example:

The Curious Case of Miss Grey

Commissioned by Ambassador, this is a new, slightly darker modern take on the original play by Dorian Grey. All the action takes place in a de-commissioned border force interview room at London Heathrow Airport. Think Line of Duty against a classic background, with a few surprising twists.

A Birthday Blunder

Set in a country house, a group of people meet for a birthday celebration that they're not all invited to! A comedy of errors, frantic complications and mistaken identities as gifts and bedrooms are exchanged with ever-increasing plot twists and confusion!

So, whatever floats your boat, you can be assured that the show will always go on and the fun will never stop with Ambassador Cruise Line. That's really what it's all about.
